

MANURE DISTRIBUTION RECORD

(Required Information)

This information must be maintained on site and should document manure marketed or distributed (given away) to any person receiving greater than ten (10) cubic yards or 2,000 gallons in a year. See the "Marketing or Distribution of Manure Information Sheet" for additional information on this topic. This information should be used in conjunction with the "Marketing or Distribution of Manure Information Sheet" that is to be provided to each recipient of the manure.
